ABOUT US

Sun Foundation: Empowering Through Opportunity

Established in 1998, Sun Foundation stands as a beacon of hope, committed to uplifting and empowering underprivileged communities across India.

Guided by the profound belief of our Chairman, Dr. Vikramjit Singh Sahney, that offering a helping hand is as sacred as a prayer, the Foundation envisions a world where dignity is restored—not through charity alone, but through the transformative power of opportunity.

True empowerment comes not merely from providing aid, but from equipping individuals with the tools to build a sustainable and independent future.

Driven by this philosophy, Sun Foundation has remained steadfast in its mission to create equitable growth opportunities for economically weaker sections of society. Special focus is placed on supporting women, differently-abled youth, and marginalized communities, offering them free skill development training and job placement support as pathways to self-reliance and long-term success.

Operating actively across Delhi, Punjab, and Uttar Pradesh, the Foundation ensures vocational education reaches those who need it most. Beyond skilling, it also leads awareness campaigns and provides financial aid for a range of social initiatives.

With a vision of building an inclusive, empowered, and self-sustaining society, Sun Foundation continues to light the way forward—one skill, one life, one opportunity at a time.

Padma Shri, DR. VIKRAMJIT SINGH SAHNEY

Chairman- Sun Foundation, M.P. Rajya Sabha - Punjab

Dr. Vikramjit Singh Sahney is a celebrated entrepreneur, educationist, philanthropist, and social activist. A recipient of the Padma Shri, he has been honored nationally and internationally for his unwavering dedication to public service and social empowerment.

As the visionary behind Sun Foundation, he has led numerous impactful initiatives:

COVID-19 Relief Efforts

Titled a "Corona Warrior", Dr. Sahney facilitated:

- A 400-bed COVID Care Centre at Gurdwara Rakab Ganj, Delhi
- 1,000+ oxygen concentrators & 2,000+ oxygen cylinders
- AI-enabled mobile testing clinics & PSA oxygen plant
- Life ambulances for doorstep COVID testing in Delhi NCR & Punjab

Supporting Education & Youth

He champions higher education for underprivileged students and athletes through initiatives like 'Angels of Sun', helping them pursue professional careers.

Free Skill Training & Jobs

Known as the "Employment Man of India", he has empowered over 20,000 rural women via 'Surya Kiran' and provides free training & placements through Sun Foundation's World Class Skill Centre of Excellence. Over 3,000 youth were trained and placed last year alone.

Padma Shri, DR. VIKRAMJIT SINGH SAHNEY

Chairman- Sun Foundation, M.P. Rajya Sabha - Punjab

Refugee Rescue & Rehabilitation

- From arranging chartered evacuations from Kabul to supporting rehabilitation with skill training, insurance, and living expenses, he has been a lifeline for many displaced families.

Fighting Human Trafficking

Under Mission Hope, he:

- Rescued 92 girls from Oman and 12 youth from Libya
- Repatriated 17 students from Turkey
- Provided legal aid, financial help, and free job training to victims

Dr. Sahney's journey from humble beginnings to national leadership is both inspiring and impactful. His charisma, compassion, and commitment continue to transform lives and shape a more equitable society.

OUR VISION

To empower under-served communities by fostering social and economic development, alleviating poverty and promoting inclusive growth.

OUR MISSION

To create a sustainable and dignified way of life for marginalised communities, fostering a stronger Human Development Index and paving the way for a brighter, more inclusive future for all.

WORLD CLASS SKILL CENTRE

ITI CAMPUS, JAIL ROAD, HARI NAGAR, DELHI – 110064

Sun Foundation is committed to empowering underprivileged and deserving youth through industry-relevant technical training, encouraging innovation, adaptability, and fast learning to meet evolving industry demands. Mandated by the **Department of Training & Technical Education (DTTE), Govt. of NCT of Delhi**, **Sun Foundation** proudly operates the **World Class Skill Centre (WCSC)** at ITI Jail Road, New Delhi—a state-of-the-art, multi-skilling institute delivering internationally benchmarked vocational courses aligned with Indian and global job markets.

What Sets Us Apart:

- Industry-Aligned Training: Courses designed with direct input from industry to ensure job-readiness
- Global-Standard Curriculum & Facilities: Advanced labs, smart classrooms, and modern training technologies
- Strong Placement Focus: Dedicated efforts to achieve 100% placement support for certified students
- Holistic Development: Training in Computer Applications, Soft Skills, and Personality Development for confident industry interaction
- Enriching Learning Experience: Includes industrial visits, expert talks, seminars, and hands-on exposure

Led by a dynamic team of educators, industry professionals, and mentors, WCSC trains over **800 students annually**, nurturing them not just as job seekers, but as future creators.

Students graduating from WCSC are not only qualified for global opportunities but are also recognized as valuable national assets.
